

IMPORTANT PATIENT ANNOUNCEMENT

This notice is to inform patients that as of **15th of June 2022**, the surgery will be **GOING LIVE** over to a new clinical system (**EMIS**).

The surgery will be open and operating as normal but there might be **IMMEDIATE** impact on some aspects of our operations like delays in repeat prescriptions or appointments running over while the surgery adjusts to the new system.

Please be patient with us, while we go through this very important transition, which will be beneficial for future operations of the Surgery and Patient Care.

If you have any questions, please contact Reception.
